Caretaking Profile

My partner and I have been carrying out caretaking roles on rural and private properties since 2005 including Origin Energy at one of there gasfields. John has previously spent 15 years working for primary industries in the NT as a weeds inspector as well as being a qualified trade's person which both skills has been an aid in our caretaking roles.

Angela who has an office background has been carrying out voluntary work whilst assisting with cleaning, housekeeping, gardening, mowing of lawns, rubbish collection, feeding of animals, cooking
Having worked together since 2005 in our caretaking roles we know how to use our strengths to problem solve and accomplish our goals. We pride ourselves in being positive, honest, generous, flexible, meticulous and value privacy and discretion.
